Brief Summary and Statement of Need:

This request amends the original Governor's FY2019 capital budget request by adding allocation level funding of \$160,000. This change is due to the timing of approval of individual National Petroleum Reserve – Alaska grants. This project is to replace the old shop floor by installing BCI support and all new subfloors at the city's maintenance shop. Grant funds are requested for contractual services, materials, supplies, and freight.
